

FACT SHEET

Established: 1934

Company type: Private nonprofit

Service area: Monterey Peninsula and surrounding region

Location: 23625 Holman Highway, Monterey, California

President/Chief Executive Officer: Steven J. Packer, MD

Mission

Community Hospital of the Monterey Peninsula is dedicated to identifying and meeting the changing healthcare needs of the people of the Monterey Peninsula and surrounding communities.

We are committed to providing high-quality services at a competitive cost and within a safe environment. We provide educational and public service programs to enhance the health of our community and the competence of those who provide the service.

We are committed to caring for all who come through our doors, regardless of ability to pay, to the fullest extent allowed by law and available resources.

Licensing and accreditation

- Joint Commission on Accreditation of Healthcare Organizations
- Department of Health Services (DHS), state of California
- College of American Pathologists (CAP)
