

Partners for a healthy community

If medicine is the heart of the hospital, then philanthropy is its soul. As a nonprofit organization, Community Hospital benefits significantly from the generosity of our community. Since our founding in 1934, philanthropy has played a crucial role in helping us improve patient-care services and meet changing community needs. Community Hospital is dedicated to providing the highest standard of care available. In today's healthcare environment, raising charitable funds has become imperative in continuing that level of distinction.

Gifts from our community make it possible to introduce new healthcare services; provide free services including educational programs, support groups, and screenings; close the gap between real costs and payments received

from government insurance programs; and maintain the highest standards in our care and our facilities.

There are many ways to support hospital services and programs through your gift to Community Hospital. You can make an outright gift, or a gift in memory or in honor of someone. You can also choose a tax-planned charitable gift; there are many that pay you income for life.

We are pleased to publish this honor roll recognizing the generosity of our friends and family in 2006. If you would like more information on making a gift to Community Hospital, please call the Development office at (831) 625-4506.

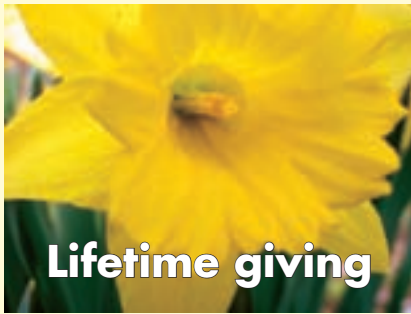

This society was created to honor, recognize, and encourage life income gifts and bequests to Community Hospital. Planned gifts represent a substantial resource to ensure a long-term, stable financial future for your community hospital.

The honor roll is comprised of donors who supported Community Hospital in 2006. Inevitably with such a list, an occasional oversight occurs. If your name has been omitted or there is an error in the listing, we apologize and ask that you notify the Development office, Community Hospital Foundation, 1000 Munras Avenue, Monterey, CA 93940, or call (831) 625-4506.
